

Employee Advocates

At Donati Law Firm, we are Employee Advocates.

Since our inception, we have only represented employees, not employers. From executives to hourly employees, our goal is to provide sound advice and zealous advocacy to our clients who need assistance with an employment issue.

We handle cases of all types involving the employment relationship, such as breach of contract claims; discrimination claims; wrongful/retaliatory discharge claims; sexual harassment claims; severance agreements and negotiation; and workers' compensation claims.

Before hiring a lawyer to handle your employment case, ask the lawyer these questions, "Do you specialize in employment cases?" and "How many trials (jury and bench) do you have representing employees in employment cases?" Simply put, entrust your employment matter with an attorney that specializes in employment law.

Don Donati, John Canale, Billy Ryan and Bryce Ashby are the attorneys who handle our employment cases. And each attorney dedicates a significant portion of his practice to employment cases.

Don Donati is certified as a Civil Trial Specialist by the Tennessee Commission on Continuing Legal Education and Specialization and as a Certified Trial Specialist by the National Board of Trial Advocacy. John Canale, Billy Ryan and Bryce Ashby are not certified as Civil Trial Specialists.
